Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Elizabeth Barrett How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

Report for Elizabeth Barrett Strengths in your relationships

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Sextile Neptune (orb: 00 26')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Conjunction Pluto (orb: 01 25')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Trine Neptune (orb: 01 33')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Sextile Jupiter (orb: 02 07')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 02 32')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Conjunction Pluto (orb: 03 57')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do

well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Conjunction Pluto (orb: 04 14')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Sextile Jupiter (orb: 04 39')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 05 39')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 08 11')

Report for Elizabeth Barrett Challenges in your relationships

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

Moon Opposition Venus (orb: 01 08')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Square Jupiter (orb: 04 35')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 05 43')

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

Mercury Square Neptune (orb: 06 16')

Report for Elizabeth Barrett Your Relationship with Robert Browning

You probably felt at home with Robert right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. He feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

His Moon in Your Fourth House

Meeting Robert has got to be good for you, at least for your health and personal habits. He is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. He is really able to get you to work on taking care of these kinds of details. And he cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways he is your own conscience come alive. Working hand and hand with him should take a great burden off your mind.

His Sun in Your Sixth House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Robert almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

His Mercury in Your Seventh House

He finds you more sexy than just attractive. You felt this quality from the first. His appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if he already knows the real you and likes what he finds. He handles the most sensitive areas of your personality without even asking your permission. He knows what to do. A very exciting condition.

His Venus in Your Eighth House

He can be a real go-getter when it comes to the social scene -- always on the move. This may have the effect of moving you to get out and be sociable. The two of you could do a lot together. It is possible that your friends may see him as just a little pushy or too game. Relations may take on an emotional tone that could be unneeded or unwelcome. He may tend to be the life of the party.

His Mars in Your Seventh House

The two of you relate very directly with one another. He may have led the way in this regard. There are no secrets between you. All of the superficial is quickly brushed aside, and words are not always needed between you. There is a strong passionate or sensual side to this relationship. Robert could be an excellent business partner for you. He has good sense and a nose for what counts and is worthwhile.

His Jupiter in Your Eighth House

This could be an expensive relationship, for Robert can't help but put your resources to the

test. He may not value you to the degree that you would like him to, or he may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on him. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

His Saturn in Your Second House

Never dull, you find Robert's offbeat ways and independent manner exciting. There is always a sense of the unusual or unexpected when you are together. He may lead you off the beaten path, introducing you to new and unconventional people and places. There is a bohemian flavor to this relationship.

His Uranus in Your First House

You find Robert enchanting and are easily carried away by his eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

His Neptune in Your First House

You have an immediate gut reaction from Robert, especially when he challenges your more traditional ideas of security -- home and family. He can be a disruptive force in your day-to-day routine and home life. He knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with him.

His Pluto in Your Fourth House

Report for Elizabeth Barrett

Strengths in your relationship with Robert Browning

Robert may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about his problems easily. You are able to put into words situations in which he finds himself.

Your Mercury Sextile His Saturn (orb: 01 05')

This is an easygoing relationship with plenty of give and take on both sides and very little friction. There is a tendency to identify with one another, and you both have a great deal in common.

Your Sun Sextile His Sun (orb: 01 27')

He manages to exert a good influence on your drive to succeed, bringing discipline and order that you may lack. There could be a long-term and hard-working relationship. He manages your talents with skill and understanding.

Your Mars Sextile His Saturn (orb: 01 27')

The two of you love to talk, and it's often about his career or life direction. You are able to describe options to guide him to sound decisions. This could be a good business relationship too. Legal matters would benefit.

Your Mercury Trine His Jupiter (orb: 02 20')

You understand his need for analysis and self-examination, and probably have helped him thru many deep changes. You are really tuned in and sympathetic with this need for transformation on his part. He puts you through a lot of changes too, but you love it.

Your Sun Conjunction His Pluto (orb: 04 22')

This might turn out to be a great working (business) relationship. You have no trouble getting behind him, and can urge him to greater success. There is a natural sense of harmony and flow to the relationship.

Your Mars Trine His Jupiter (orb: 04 52')

You can see and understand where he is coming from. You like his sense of values, and aren't afraid to tell him about it. He values you for your mentality and skill with words. He likes the way you think.

Your Mercury Trine His Venus (orb: 05 53')

You understand how he feels, and you find it is easy to cheer him up and generally facilitate him emotionally. He is very supportive, even protective of you. This is a healthy relationship.

Your Sun Conjunction His Moon (orb: 06 09')

You both have an understanding that he is a little different and likes his independence. This is not a problem. He brings some excitement and adventure to your life, and may be restless and on the go. He may introduce you to unusual friends and situations.

Your Sun Trine His Uranus (orb: 06 51')

You value his independent ways. You love how he is often surprising you, and doing new things to get your attention. You always respond with warmth and appreciation. You feel that he values your ideals, knowing they are unique.

Your Venus Trine His Uranus (orb: 07 08')

He finds you very supportive and easy to talk to. Robert has a knack for understanding how you feel about something, putting your feelings into words that make sense to you. You might find yourself encouraging mental pursuits on his part -- writing, speaking, communications.

Your Moon Trine His Mercury (orb: 07 43')

This is about as close to a mutual admiration society as any two are likely to get. Robert is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and love for him. You just like the way he feels.

Your Venus Conjunction His Moon (orb: 07 50')

Report for Elizabeth Barrett

Challenges in your relationship with Robert Browning

He may not appreciate your feelings and emotions, and may not like your moods. You may tend to ignore his values and ideals and take them too lightly. He senses that you may not support his sense of values. There could be a kind of cold war going on.

Your Moon Square His Venus (orb: 00 48')

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

Your Mars Square His Mars (orb: 01 25')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Square His Venus (orb: 01 56')

He may feel that you don't take his ideals seriously enough, and that you discount his more imaginative and creative side. You may feel that he is unrealistic, only fooling himself, and is always getting carried away with one thing or another. There could be deception.

Your Sun Square His Neptune (orb: 02 04')

You may feel that Robert is a hopeless dreamer, and you may refuse to get behind what you term escapism on his part. Your own ambitions run counter to his own sense of mystery and idealism. He may disappoint or deceive you.

Your Mars Square His Neptune (orb: 03 35')

Harsh words and arguments may not be uncommon. He tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of his feelings may drive him a little crazy.

Your Mercury Square His Mars (orb: 03 57')

You may tend to ignore Robert's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

Your Sun Square His Mars (orb: 04 14')

Robert may feel that he doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions he makes upsetting to you emotionally. His basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Square His Jupiter (orb: 04 22')

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of his decision-making, and you probably seldom take his advice when it comes to career decisions. He may persevere against your best wishes, with the result that he may tend to overdue, overspend, and get carried away.

Your Venus Square His Jupiter (orb: 05 30')

Problems could arise from Robert's feeling that you have no sympathy for his dreams and

ideals -- his more imaginative side. Perhaps you just refuse to discuss these aspects of life with him. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.

Your Mercury Square His Neptune (orb: 06 07')

You may find him somewhat repressive of your feelings. He manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of him, and this could lead to a real standoff.

Your Moon Square His Saturn (orb: 07 47')

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

Your Moon Opposition His Moon (orb: 08 58')

Report for Robert Browning How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Moon Ruler of 7th

Report for Robert Browning Strengths in your relationships

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 00 42')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Sextile Mercury (orb: 01 15')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Conjunction Pluto (orb: 01 47')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 02 54')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Sextile Pluto (orb: 03 02')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Conjunction Jupiter (orb: 03 33')

You are comfortable with your sexual identity, and tend to be emotionally well balanced.

There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Sextile Sun (orb: 04 42')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 05 57')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Trine Saturn (orb: 08 33')

Report for Robert Browning Challenges in your relationships

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

Mercury Opposition Uranus (orb: 00 33')

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Opposition Neptune (orb: 02 10')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Opposition Uranus (orb: 05 24')

You find yourself hampered by authority and elders. Too many rules and regulations may inhibit or put a damper on what your heart feels like doing. You may procrastinate and put off attending to the necessities, with the result that duties tend to pile up. You might be somewhat defensive about expressing your real likes and dislikes for fear of being criticized or cut down. You don't always play by the rules.

Venus Opposition Saturn (orb: 06 58')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Square Neptune (orb: 08 13')

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

Moon Square Venus (orb: 09 46')

Report for Robert Browning Your Relationship with Elizabeth Barrett

There is almost a sense of mystery about your relationship with Elizabeth. You cannot hide things from her, so there are no formalities when you are around her. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. She might act as your agent, or as a go-between.

Her Moon in Your Eighth House

Elizabeth is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting her, you felt an instant trust and enjoyed a rare sense of security. She responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! she may have a beneficial effect on your finances and resources too. She has a real instinct for handling money. In addition, other financial benefits may come to you through Elizabeth.

Her Sun in Your Second House

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

Her Mercury in Your Second House

She feels that you are special and seeks to encourage you. You both share a sense of value and worth, and she probably appreciates your position in life and possibly your resources. She will want to give anything she can to help you, and this could take the form of gifts, monetary support, etc. She knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

Her Venus in Your Second House

Elizabeth could be a positive asset when it comes to business and financial concerns. She can provide drive and may push you to improve yourself, make more money, etc. There is incentive here for you to respond to whatever opportunities may be latent in your situation. You may become more active in this regard as a result of this relationship. Money and possessions get a boost. The relationship may involve some jealousy and possessiveness.

Her Mars in Your Second House

She will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Elizabeth has the ability to lead you to putting these thoughts to work on a day-to-day level. Through her you may learn how to really forgive one another, how to let barbs and harsh words roll off your back. She can put you in touch with goals more important than money or recognition -- internal happiness and self-respect.

Her Jupiter in Your Twelfth House

You are going to have to put your money where your mouth is when it comes to matters of truth or morality, for Elizabeth will tolerate nothing but a straight gate. You will tow the line. She could be a great help to you in separating the wheat from the chaff from among your many philosophies or grand ideas. On the other hand, you could get the idea that you are immoral just because you don't happen to be as strict as she is. It may be difficult to travel.

Her Saturn in Your Ninth House

Elizabeth could be a teacher for you -- sort of a life teacher or guide. Not what you would call a tranquil relationship, it may be subject to fits and starts. When you are with her, you may experience real insight into the nature of life -- spiritual ideas. She has unusual and possibly quite radical views of religion. Her approach is what is so different. It is possible that through her you discovered an entirely new way of looking at your life and the world. It's on again, off again.

Her Uranus in Your Ninth House

Elizabeth could have a strong effect on your motivation and career direction. You may find her inspiring and able to give you a clear picture of the ideal possibilities of your work. She is capable of generating great enthusiasm on your part, and you are easily enchanted by her images and words which can have an almost numbing effect on you. If you work closely together, this can have a very beneficial effect on your attitude. If you get too far apart, the whole thing can take on an unreal quality.

Her Neptune in Your Tenth House

She may be responsible for a deep change in your values, all that you consider important in life. This may involve some very sensitive issues and real self-facing on your part. Through knowing her, your status in the world (especially in regard to finances) could undergo a transformation. She may help you strip away many unessential qualities and concentrate on those resources that can actually benefit you.
